### **Evangelising in the War Zones**

Frontline Fellowship is a Bible-based African Mission that has pioneered missionary work into neglected mission fields and areas resistant to the Gospel. Since 1982, Frontline missionaries have travelled hundreds of thousands of kilometres by foot, by motorbikes, by dugout canoes, trucks and aircraft to boldly proclaim the Gospel of repentance and faith in Christ to soldiers, guerrillas, resistance fighters and civilians on all sides of many conflicts in Africa .

The Founder and Director of Frontline Fellowship, Dr. Peter Hammond , has personally carried out over 120 missions in the war zones and presented over 15,000 sermons, Bible studies and lectures in 36 countries. In the course of their missionary activities some Frontline missionaries have been ambushed, come under artillery bombardment and mortar fire, been stabbed, shot at, beaten by mobs, arrested and imprisoned. The Frontline mission base and high school in Sudan repeatedly came under aerial bombardment by the government of Sudan Air Force (10 times in 18 months). Over the years, 20 people involved in Frontline Fellowship outreaches have been imprisoned in Marxist or Muslim countries. Yet, by the grace of God, every one was freed in response to persistent prayer and pressure (Luke 18:1 – 5).

Frontline Fellowship has distributed millions of Gospel leaflets, booklets, books and Bibles throughout Africa. Frontline Fellowship conducts an average of 30 seminars, conferences or workshops each year. Through literature and leadership training, Frontline Fellowship is educating and enlisting tens of thousands of Christians to “disciple the nations...teaching obedience.” Just in Sudan, since 1995, Frontline Fellowship trained thousands of pastors, chaplains, medics and teachers. We provided thousands of Christian textbooks to over 100 schools in Sudan. FF has delivered and distributed over 500,000 Bibles and Christian books in 24 languages throughout 14 regions of Sudan.
